

7.1.7 The Institution has Divyangjan-friendly, barrier free environment

Response:

- 1. Ramps/lifts-** the college has made various necessary arrangements for creating a Divyangjan-friendly, barrier free environment. There are two ramps in front that lead to the college entrance door and one ramp is available near the library for easy access to the library. There is a lift leading from the ground floor till the top floor of the college for easy access to various floors and classrooms of the building.
- 2. Divyangjan - friendly washrooms-** a washroom at room no - G-4 has been allotted for the Divyangjan with all the required facilities in the washroom.
- 3. Mechanized equipment-** necessary equipment such as a wheelchair is made available in the college according to the needs of the Divyangjan enrolled students
- 4. Human Assistance-** a Divyangjan human assistance is always present at the reception for any support whenever the need arises.
